CUSTOM MADE
with passion!

MultiCutter 
BY **LBS**

MULTICUTTER
YOU DRAW, WE CUT

endless in service and innovation

No problem!

Our MultiCutter offers you the latest “cutting edge” technology, allowing us to supply custom-made conveyor belts and sheets. Our fully automated and state-of-the-art MultiCutter enables you to contract out your manual work. We are able to cut all kinds of materials from the thinnest synthetics to the thickest polyurethane plates and steel reinforced rubber conveyor belts.

Just imagine: no more stock nor manual work and just-in-time deliveries!

LBS Conveyor Belts BV avails of one of the biggest stocks of synthetic and rubber materials. In cooperation with you we will compose the best fitting product. We have our work cut out for us...

Allow us to deliver your custom-made products just-in-time so that you can mount them easily and carefree.
